

Gas and Flame Detection

- Class I Division 2 and ATEX certified.
- Slim Line, Ice Cube and Relay Interface Modules.
- cULus listed devices.
- Complies with EN 60079-0 and 60079-15 standards.
- Suitable for chemical, petrochemical, pharmaceutical, LPG, LNG, power plant, spray booth or underground applications.
- C102, ATEX, IECEX, DC Breakers

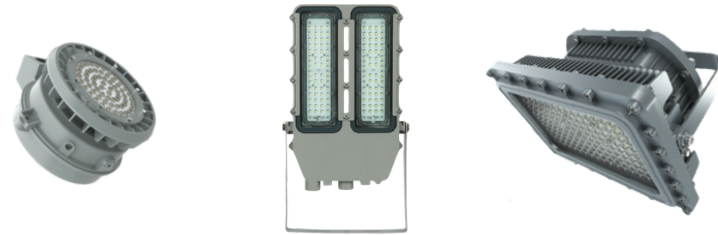

* CA only

Commercial, Industrial & HAZ LOC LED Lighting

- In stock LED commercial/industrial retrofit solutions
- In stock LED fixtures with a 6 year warranty
- UL/ETL/DLC/FCC/CE/RoHS certified
- Lighting layouts
- Color/power selectable options
- IECEX / ATEX/NEC / UL / ABS Certified
- UL844 Class 1 Division 1 & 2
- NO FREIGHT, NO MIN, NO RESTOCKING FEES

Lighting

- Havells Lighting manufactures unique and innovative LED products designed for ease of installation, longer life and better performance.

LED Commercial and Industrial Lighting

- US Based Commercial & Industrial LED Lighting Manufacturer
- Area, Canopy, Flood, Wall Packs, and High Bay Light Fixtures
- Exit & Emergency Lighting
- Poles & Brackets with Outdoor Lighting
- Partners with Autani Sensors for Smart Lighting

Stainless, Coated, Nylon Ties & Banding

- Largest Line of Stainless Steel Cable Ties in Industry
- Highest Tensile Strengths in Industry (The Strongest Around)
- ABS TYPE Approved (SS Ties, Banding, & Buckles)
- UL Listed (SS Ties, Nylon Ties)
- Made in the USA (SS Ties, Banding, ID Tags)
- 24 Hour Turn Around Time for Embossed Tags

PRODUCT LINE CARD

Proudly Serving Arizona, California, Nevada, & Utah

Enclosures

- Impact Resistant Polycarbonate
- Excellent Transparency & Clarity
- Lightweight & Weather Resistant
- Chemical & Corrosion Resistant
- Thermal Stability & easily modifiable
- Made in Michigan!

CA, NV, and UT only

Surge Protection

Surge Protection Devices (SPDs) UL solutions for Lightning and Surge Transients. AC Power, DC Power, Dataline Ethernet/POE, Digital/Analog Communication, Telecom/RF, and GDT.

* AZ, Southern CA, Southern NV only

Proxxi – Chekvolt – Graceports

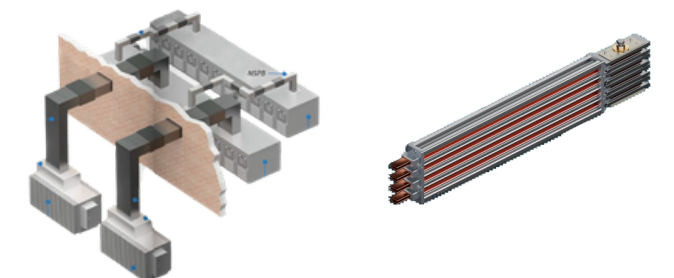

- GracePorts
- Grace PESD Voltage Indicators
- Grace Sense
- Continuous monitoring/alerting for predictive maintenance.
- Proxxi Band - Personal Protection Device

UT only

Busway

Reliable Cost Effective alternative to cable for Power distribution. Consisting of AL or CU conductors in an Aluminum housing. LS Busway offers Ex-way (UL), Data-way, NSPB MV, MCCB and CR-way in full compliance with US industry standards.

GINDRE COPPER

Cable and Busbar

- MAXIFLEX: the best of both cable and busbar
- Near Zero Bending Radius
- Distribute up to 2000 Amps with a single flat cable
- UL 758 Appliance Wiring & UL 67 Panelboards
- Supports up to 1000 volts at temps up to 105 C
- Engineered to design to your company needs

QUANTUM MANUFACTURING

Electrical Enclosures

- Low Voltage Enclosures
- Nema 1, 3R, 4X, and Nema 12
- Manufactured in Tennessee
- Medium Voltage Enclosures
- Enclosed Disconnects
- Metal Fabrication Services

OLSUN Electric

Engineered Transformer Solutions

Low and Medium Voltage Transformers

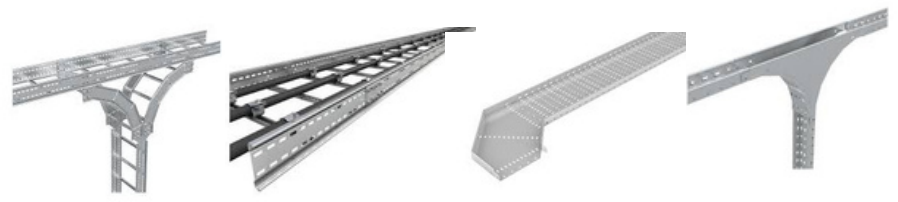

- Transforming the Power Industry with:
- Dry Type Transformers
- Specialty Need Expertise
- Intricate Design Mastery
- One-Off Manufacturing Capability
- Highest Quality Craftsmanship
- Standards Compliance Adherence
- Peerless Engineering Knowledge

VANTRUNK

Engineered Cable Management Systems

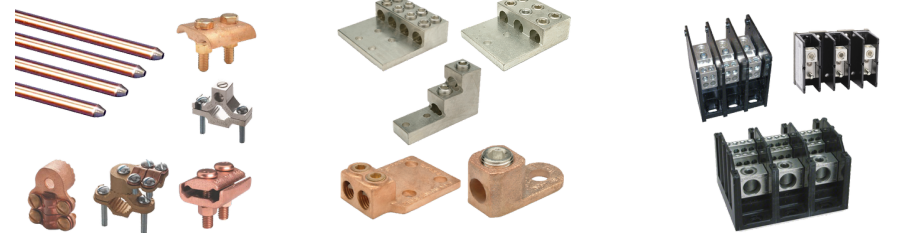

- Cable ladders
- Cable trays
- Steel framing & supports
- Fittings & accessories
- Specialist components

STARWOOD GROUP

Mechanical & Compression Lugs / Solar

- Power Distribution blocks
- Mechanical & compression lugs
- Solar cable & infrastructure
- MC4 connectors
- clean energy grounding solutions
- industrial UL Grounding solutions
- all products UL listed

CRQHM RESISTORS

Braking, Case, & Ground Resistors

- Braking Resistors
- Braking Resistor Replacements
- Case Resistors
- Edgewound Resistors
- Grid and Ribbon Resistors
- Harmonic Filters
- High Resistance Grounding System
- Neutral Grounding Resistors
- Oil and Gas Braking
- Smoothwound Resistors
- Wirewound Resistors

MARATHON POWER

Customizable UPS & Battery Back-Up Systems

- Power range from 400VA to 20000VA
- 110V to 240V
- 300W – 500W DIN Rail UPS
- Battery back-up for Traffic and Ruggedized applications
- Battery-less and energy efficient Super capacitor UPS
- UPS communication, remote signaling & networking capability

Chloride™

Power to Protect

UPS systems

- More than 75 years of experience with AC & DC UPS systems to 500kVA
- specifically designed for industrial installations
- Largest industrial HMI on the market, with Master Battery Control System
- Most extensive experience with Sodium Metal Chloride (SMC) batteries
- Offer a full range of services to optimize infrastructure performance and reduce process complexity

ENVIRO BUILDINGS

Modular Buildings

- Modular Buildings
- Light weight prefab, precision-formed, modular panels designed for accurate, rapid field assembly
- Extruded Polystyrene or Expanded Polystyrene 4" insulated core
- Cam-action locking devices for single tool installation
- Industrial, Construction and Communications Applications
- Wide variety of sizes and configuration options
- Electrical and HVAC options

Plymouth ELECTRICAL TAPES

Electrical Tapes

- Professional grade electrical tapes
- Wide range of products for multiple general and specific applications
- Premium vinyl tapes – UL, CSA certified, all weather
- High and low voltage rubber self-bonding tapes
- Specific solutions for mining and cable jacket repair
- Manufacturers since 1896
- Technical team available for support
