

Lighting

- Havells Lighting manufactures unique and innovative LED products designed for ease of installation, longer life and better performance.

Polycarbonate Enclosures

- Wide-range of polycarbonate & fiberglass enclosures featuring 12 full product lines encompassing over 800 part numbers w/ 30+ configurations.

Thermal Management

- Enclosure Thermal Management NEMA 12/4/4X/C1D2 Air Conditioners, Heat Exchangers, Filter Fans.
- 5 Yr Warranty | BABA

Non-Metallic Enclosures

- A wide range of solutions for non-metallic enclosures and accessories with stock and customizable options. Available with property performance standards including NEMA 4X, NEMA 6P, IEC IP66 and IEC IP68

ARIZONA LINE CARD

Proudly serving Arizona, California, Nevada, and Utah

Surge Protection

Surge Protection Devices (SPDs) UL solutions for Lightning and Surge Transients. AC Power, DC Power, Dataline Ethernet/POE, Digital/Analog Communication, Telecom/RF, and GDT.

* AZ, Southern CA, Southern NV only

Automation and Control Components

- AC Contactors & Overload Relays from 6 – 2100A
- Molded Case Circuit Breakers up to 1200A
- Variable Frequency Drives up to 800HP at 460V
- Din Rail Mounted MCB Breakers up to 4 pole 63A
- Air Circuit Breakers, Vacuum Circuit Breakers
- Stock in Southern California & Chicago!

Low and Medium Voltage Transformers

- Transforming the Power Industry with:
- Dry Type Transformers
- Specialty Need Expertise
- Intricate Design Mastery
- One-Off Manufacturing Capability
- Highest Quality Craftsmanship
- Standards Compliance Adherence
- Peerless Engineering Knowledge

Busway

- Reliable Cost Effective alternative to cable for Power distribution. Consisting of AL or CU conductors in an Aluminum housing. LS Busway offers Ex-way (UL), Data-way, NSPB MV, MCCB and CR-way in full compliance with US industry standards.

Cable and Busbar

- MAXIFLEX: the best of both cable and busbar
- Near Zero Bending Radius
- Distribute up to 2000 Amps with a single flat cable
- UL 758 Appliance Wiring & UL 67 Panelboards
- Supports up to 1000 volts at temps up to 105 C
- Engineered to design to your company needs

Braking, Case, & Ground Resistors

- Braking Resistors
- Braking Resistor Replacements
- Case Resistors
- Edgewound Resistors
- Grid and Ribbon Resistors
- Harmonic Filters
- High Resistance Grounding System
- Neutral Grounding Resistors
- Oil and Gas Braking
- Smoothwound Resistors
- Wirewound Resistors

Modular Buildings

- Modular Buildings
- Light weight prefab, precision-formed, modular panels designed for accurate, rapid field assembly
- Extruded Polystyrene or Expanded Polystyrene 4" insulated core
- Cam-action locking devices for single tool installation
- Industrial, Construction and Communications Applications
- Wide variety of sizes and configuration options
- Electrical and HVAC options

Engineered Cable Management Systems

- Cable ladders
- Cable trays
- Steel framing & supports
- Fittings & accessories
- Specialist components

Mechanical & Compression Lugs / Solar

- Power Distribution blocks
- Mechanical & compression lugs
- Solar cable & infrastructure
- MC4 connectors
- clean energy grounding solutions
- industrial UL Grounding solutions
- all products UL listed

Explosion Proof Enclosures

- UL for Class I/II Div 1/2, Nema 4x, 7, 9
- Marine grade copper free Aluminum & 316 L Stainless Steel
- ATEX, IECEx, EAC, Inmetro, Ex e/Ex d Zone 1, 2, IP66
- Drilling options available, gland plates can be fitted to any or all four sides
- Windows available in round or square for EJB or round for GUB Series

Functional Safety Devices

- Intrinsically Safe Isolators & Multiplexers
- Non-Intrinsically Safe Isolators
- Power Supplies – SIL 2 & 3
- Safety Relays
- Surge Arrestors
- Termination Boards

Stainless, Coated, Nylon Ties & Banding

- Largest Line of Stainless Steel Cable Ties in Industry
- Highest Tensile Strengths in Industry (The Strongest Around)
- ABS TYPE Approved (SS Ties, Banding, & Buckles)
- UL Listed (SS Ties, Nylon Ties)
- Made in the USA (SS Ties, Banding, ID Tags)
- 24 Hour Turn Around Time for Embossed Tags

Commercial, Industrial & HAZ LOC LED Lighting

- In stock LED commercial/industrial retrofit solutions
- In stock LED fixtures with a 6 year warranty
- UL/ETL/DLC/FCC/CE/RoHS certified
- Lighting layouts
- Color/power selectable options
- IECEx / ATEX/NEC / UL / ABS Certified
- UL844 Class 1 Division 1 & 2
- NO FREIGHT, NO MIN, NO RESTOCKING FEES

UPS systems

- More than 75 years of experience with AC & DC UPS systems to 500kVA
- specifically designed for industrial installations
- Largest industrial HMI on the market, with Master Battery Control System
- Most extensive experience with Sodium Metal Chloride (SMC) batteries
- Offer a full range of services to optimize infrastructure performance and reduce process complexity
